APPENDIX

NO. 009-2025/SIIT-GLOBALTRANSIT/CLINKER-AT
"MV XIANG FU "

Shipping Terms:

a. At the loading port, the NOR shall be tendered only after the vessel has anchored at the loading anchorage and only if she is in all aspects ready to receive the cargo. NOR can then be tendered by cable WIPON, WIBON, WCCON, and WIFPON unless these last items are not granted due to vessel fault. NOR can be tendered any time day night Sunday holiday included.

b. Laytime at the loading port shall commence whether in berth or not, whether in port or not, whether in free pratique or not, whether customs cleared or not, being 12 hours after the Notice of Readiness is tendered unless loading commences sooner. If loading commences sooner, laytime is to be counted from the actual commencement of loading.

c. Any time lost due to wind, rain, fog, swell, or other natural causes and the time taken afterward for the vessel to resume loading, not to count as laytime or as time on Demurrage unless the vessel is already on Demurrage.

NOR to be tendered WWW; whether in berth or not, whether in free pratique or not, whether in Customs.

d. Time waiting for passing Covid-19 inspection/obtaining free practique to count as playtime

d. The Seller agrees to a loading rate of 8,000 MT PWWD SHINC

Despatch will be applicable only if the loading rate is above 8,000 MT PWWD SHINC `

Demurrage will be applicable only if the loading rate is below 8,000 MT PWWD SHINC

e. Time lost in waiting for anchorage to count as laytime, but actual time used in shifting from waiting for the area to loading berth not to count, even if the vessel is already on demurrage, time to stop counting upon completion of cargo loading. Intermediate draft survey ordered by the Master however not to count as laytime.

The Seller's responsible for providing a safe loading place where the vessel can safely afloat and load cargo.

All time lost waiting for customs clearance for loading, export permit, Stevedore labor, fixing grabs, and cargo trucks to count as laytime. All cargo must be ready for loading at the place vessel is allowed to be anchored/berthed by order of the port authority / Pilot.

Shipper is not allowed to give excuses for delays in loading caused by trucks are not able to reach loading point due to whatever reason.

f. The vessel's holds on arrival at the loading port are to be dry, clean, and constantly opening during loading proceed and in all aspects ready to load the intended cargo (Except in bad weather the holds are to be closed to protect the cargo being rain damaged). Cranes shall be rigged and ready to be booked with the shipper's grabs. Any time lost from the vessel's ability to comply with this clause is to be deducted from laytime.

Time in respect of opening of first hatches either before, during, or after loading will not be taken into account for the purposes of laytime.

e. If loading is suspended due to ballasting/ de-ballasting operations or for any other reason related to the vessel, such time is not to count as laytime. Time lost due to Stevedore damage at the loading port to count as time.

h. Demurrage at the loading port shall be payable by the Seller to the Buyer as applicable to the vessel nominated, half dispatch.

Dem/Des to be settled by either party latest within 15 days from the date of the claim Invoice/Debit Note submitted by email with supporting:

1)Laytime calculation, 2) SOF signed by ship master and shipping agent, 3) NOR, and 4) Copy of Bills of Lading.

If within 30 days there is neither response nor confirmation from the Buyer, the Seller has the full rights to issue a debit note. Demurrage / Despatch will be settled within 15 (fifteen) days after the debit note is issued.

j. If the vessel is ordered by Port authorities to leave due to bad weather, time lost is not to count as laytime if the vessel is not on demurrage but time is lost to count as laytime if the vessel is on demurrage. Once the vessel is on demurrage always on demurrage.

k. Any taxes and/or dues on cargo, if any to be for the Seller's account.

Any taxes and/or dues on vessel and/or freight are to be for the Buyer's account.

l. The Stevedores, although appointed by the Seller or Shipper, to work under the Master's supervision. All claims of damages allegedly caused by stevedores are to be settled directly between Ship Owner and stevedores. Master to notify the stevedores and Seller or their agents of such apparent damage, if any, in writing the latest 48 hours after the occurrence and always the latest prior sailing from the loading port, otherwise the Stevedores are not liable except for hidden damage. All stevedore damage is to be repaired by the stevedore and/or Seller before sailing the vessel from the loading port.

m. Loading wet cargo is not allowed. Time lost in replacement of wet/damaged cargo to count as laytime.

n. Seller shall notify Superholidays to the buyer in advance 15 days before the first day of laycan.

Indonesian Super holiday for 2025 Religious Holiday such as:

- Eid Fitri : 31 March - 01 April 2025
- Eid Adha : 06 June 2025
- Independence Day : 17 August 2025
- Christmas : 25 December 2025
- New Year Day : 01 January 2026

During the Muslim month of Ramadhan, the time for Sahur and Iftar (breaking fast) each has 1 (one) hour does not count as laytime.

Super holiday will not count as laytime unless used. If any dispute occurs during the loading process and is required to bring in P and I or another Independent Surveyor, that time used will not count as laytime. Time will be on the responsible party's account after a decision has been made by P and I or an independent surveyor.
